

JIUHE 15m 17m 18m 21m 23m Spider Concrete Placing Boom/Concrete Pump Distributor /Stationary Concrete Placing Boom

Our Product Introduction

for more products please visit us on concretepumpstrucks.com

Basic Information

- Place of Origin: CHINA
- Brand Name: JIUHE
- Certification: ISO CE
- Model Number: 13m 15m 17m 21m
- Minimum Order Quantity: 1
- Delivery Time: 15 WORKING DAYS
- Payment Terms: L/C, T/T
- Supply Ability: 100SET

Product Specification

- Model: 13m 15m 17m 21m
- Weight: 3500kg
- UNIQUE SELLING POINT: Fully Hydraulic System
- Condition: New
- Highlight: 13m concrete pump distributor,
15m concrete pump distributor,
21m Concrete Placing Boom

Product Description

JIUHE 15m 17m 18m 21m 23m Spider concrete placing boom/concrete pump distributor /stationary concrete placing boom
In the voice of JIUHE MACHINERY GROUP, we are pleased to introduce the advantages of our Mobile Concrete Placing Boom:

- 1.Precision Construction: Our Mobile Concrete Placing Boom is equipped with advanced hydraulic systems and precision control technology to ensure the accurate placement of concrete. This means that in high-rise buildings, bridges, tunnels, or other construction projects, you can achieve highly precise and consistent concrete placement, reducing waste and rework.
- 2.Expanded Construction Range: The Mobile Concrete Placing Boom features adjustable arm lengths, allowing easy coverage of large construction areas, including tall buildings, deep excavations, and distant work sites. This improves construction efficiency and reduces the need for equipment repositioning.
- 3.High Efficiency and Cost Savings: Our placing boom offers a high delivery rate, enabling rapid completion of concrete construction tasks. This reduces labor costs and construction timelines, contributing to overall project efficiency.
- 4.Convenient Mobility: The Mobile Concrete Placing Boom can be easily transported to different job sites without the need for extensive installation and dismantling. This enhances project flexibility while saving valuable time.
- 5.Safety: Our boom's design takes safety factors into consideration, with stable support systems and safety control features to ensure the highest level of safety during construction.

Our Product Introduction

6. Reliability: JIUHE's Mobile Concrete Placing Boom is carefully designed and rigorously tested to ensure stable operation in various job site conditions, enduring continuous use.

Item	HGY15	HGY17
Max. placing radius(m)	15	17
Big arm length(m)	6	6.66
Big arm elevation(°)	0-70	0-65
Medium arm length(m)	5	5.73
Medium arm elevation(°)	0-180	0-180
Small arm length(m)	4	4.61
Small arm elevation(°)	0-180	0-180
Hose length(m)	3	3
Concrete delivery pipe (mm)	ø 125×6	ø 125×6
Tail Rotary radius(m)	2.81	3.93
Total Power(Kw)	4	5.5
System Pressure(MPa)	24	24
Rotary speed(r/min)	0.3—0.8	0.3—0.8
Rotary range(°)	0-360	0-360
Supporting legs span (m)	4×4	4.6×4.6
Overall height(m)	2.6	3.2
Outline Dimension		
Bare machine weight(kg)	3230	5000
Balance weight(kg)	2×1100	2×1100
Control mode	Panel/ Wireless remote control	Panel/ Wireless remote control

COMPANY

CERTIFICATE

Trade Assurance

100% protection for product quality and on-time shipment.

Development strategy

Strives for the survival by the quality, seek development by science and technology

Corporate philosophy

People-oriented, science and technology enterprise, recruiting high level scientific and technological personnel, actively introduce advanced technology at home and abroad

JiuHe Service

As a professional company, we promise as following:

JIUHE HEAVEY INDUSTRY MACHINERY service system MAX customer experiences.

A. Pre-sales service:

1. Selecting the most suitable equipment,
2. Designing your personal machinery according to special construction demands,
3. Training your technicians to operate our equipment,
4. Providing advice to ensure equipment running well in various construction environments,
5. Making new construction scheme if necessary.

B. Sales service:

1. Equipment delivery transport agent,
2. Equipment quality control before delivery,
3. Introduce our service system to customers.

C. After-sales service:

1. Making the first construction scheme,
2. Installing and debugging your equipment,
3. Troubleshooting on site, prompt and initiative,
4. door to door accessories and parts,
5. Opportunities to get technical communications with our engineers.

D. Value-added service:

1. Overall process and zero distance technology tracking service for key projects,
2. Carry out large maintenance business,
3. Regular equipment checking service,
4. Technology update,
4. Provide professional periodic maintenance standards for customers.

JIUHE HEAVEY INDUSTRY MACHINERY Service Commitments for sold equipment:

1. Dispatch technicians to install and debug equipment in time if necessary,
2. Provide free maintenance service for the products which have product quality problems within a year after the delivery,
3. Provide free operation and maintenance training service for users

4. Provide lifelong paid maintenance service, accessories and parts supply for the sold products.
